1973-74

montreat, north carolina

what more  
could we do  
than try to  
search,  
learn,  
grow,  
  
love . . .

heart and  
mind  
in conflict . . .

pain, prayer,  
search . . .

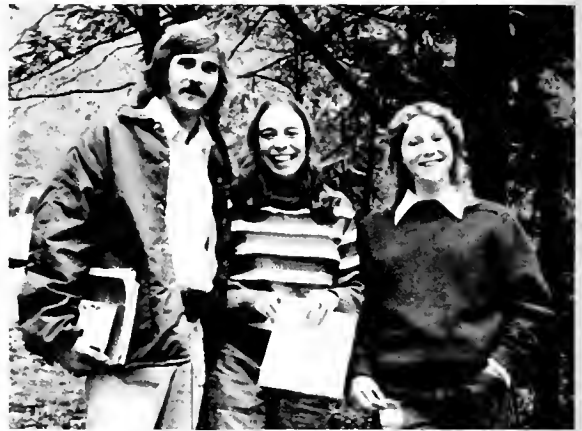

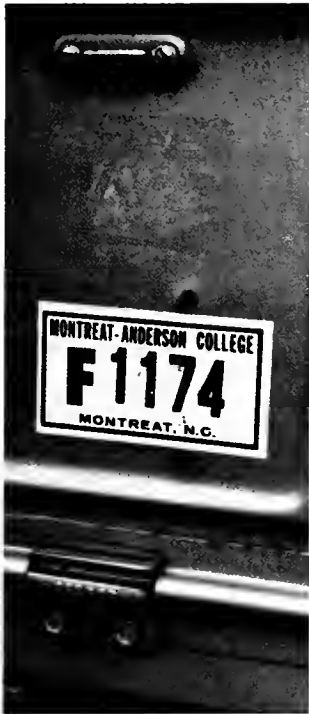

growth . . .

reflections,  
tears and  
laughter,  
confusion and  
understanding,  
anger . . .

love.

questions and  
prayer,  
needing,  
touching,  
searching . . .

for God,  
and you,  
and me . . .

seven in the morning,  
rustling leaves,  
quiet mist and  
cold, cold hands . . .

. . . don quixote,  $a(b+c) = (ab)+(ac)$ , environment,  
john the baptist,  
perception, pain . . .

learning.

i am older now,  
i have felt more  
confusion and anguish  
than ever before;  
i am older now,

yet there is so  
much more  
yet to come . . .

i am older now,  
i have felt more  
joy and peace  
than ever before;  
i have felt more love,

and there is so  
much more  
yet to come . . .

... people ...

# dedication

charles massey . . . a friend . . . a  
teacher who has taught us the meaning  
of giving . . . as this man who has  
taught us of love, so shall we love . . .  
as this friend who has dedicated him-  
self in sacrifice, so shall we dedicate . . .

## coach jim seaton guides

a new coach . . . a new team. a young team of nine freshmen and three sophomores provides a bright future but a troubled present. the inexperience and a height disadvantage most of the games created problems for coach seaton. young cavaliers also have problems with tough western carolinas conference which includes three nationally ranked teams as anderson, lees-mcrae, and north green-ville.

dr. karl snyder  
1915-1973

to be too busied with the crowded hour to fear to live - to die.  
ralph waldo emerson

steve jeans  
1953-1973

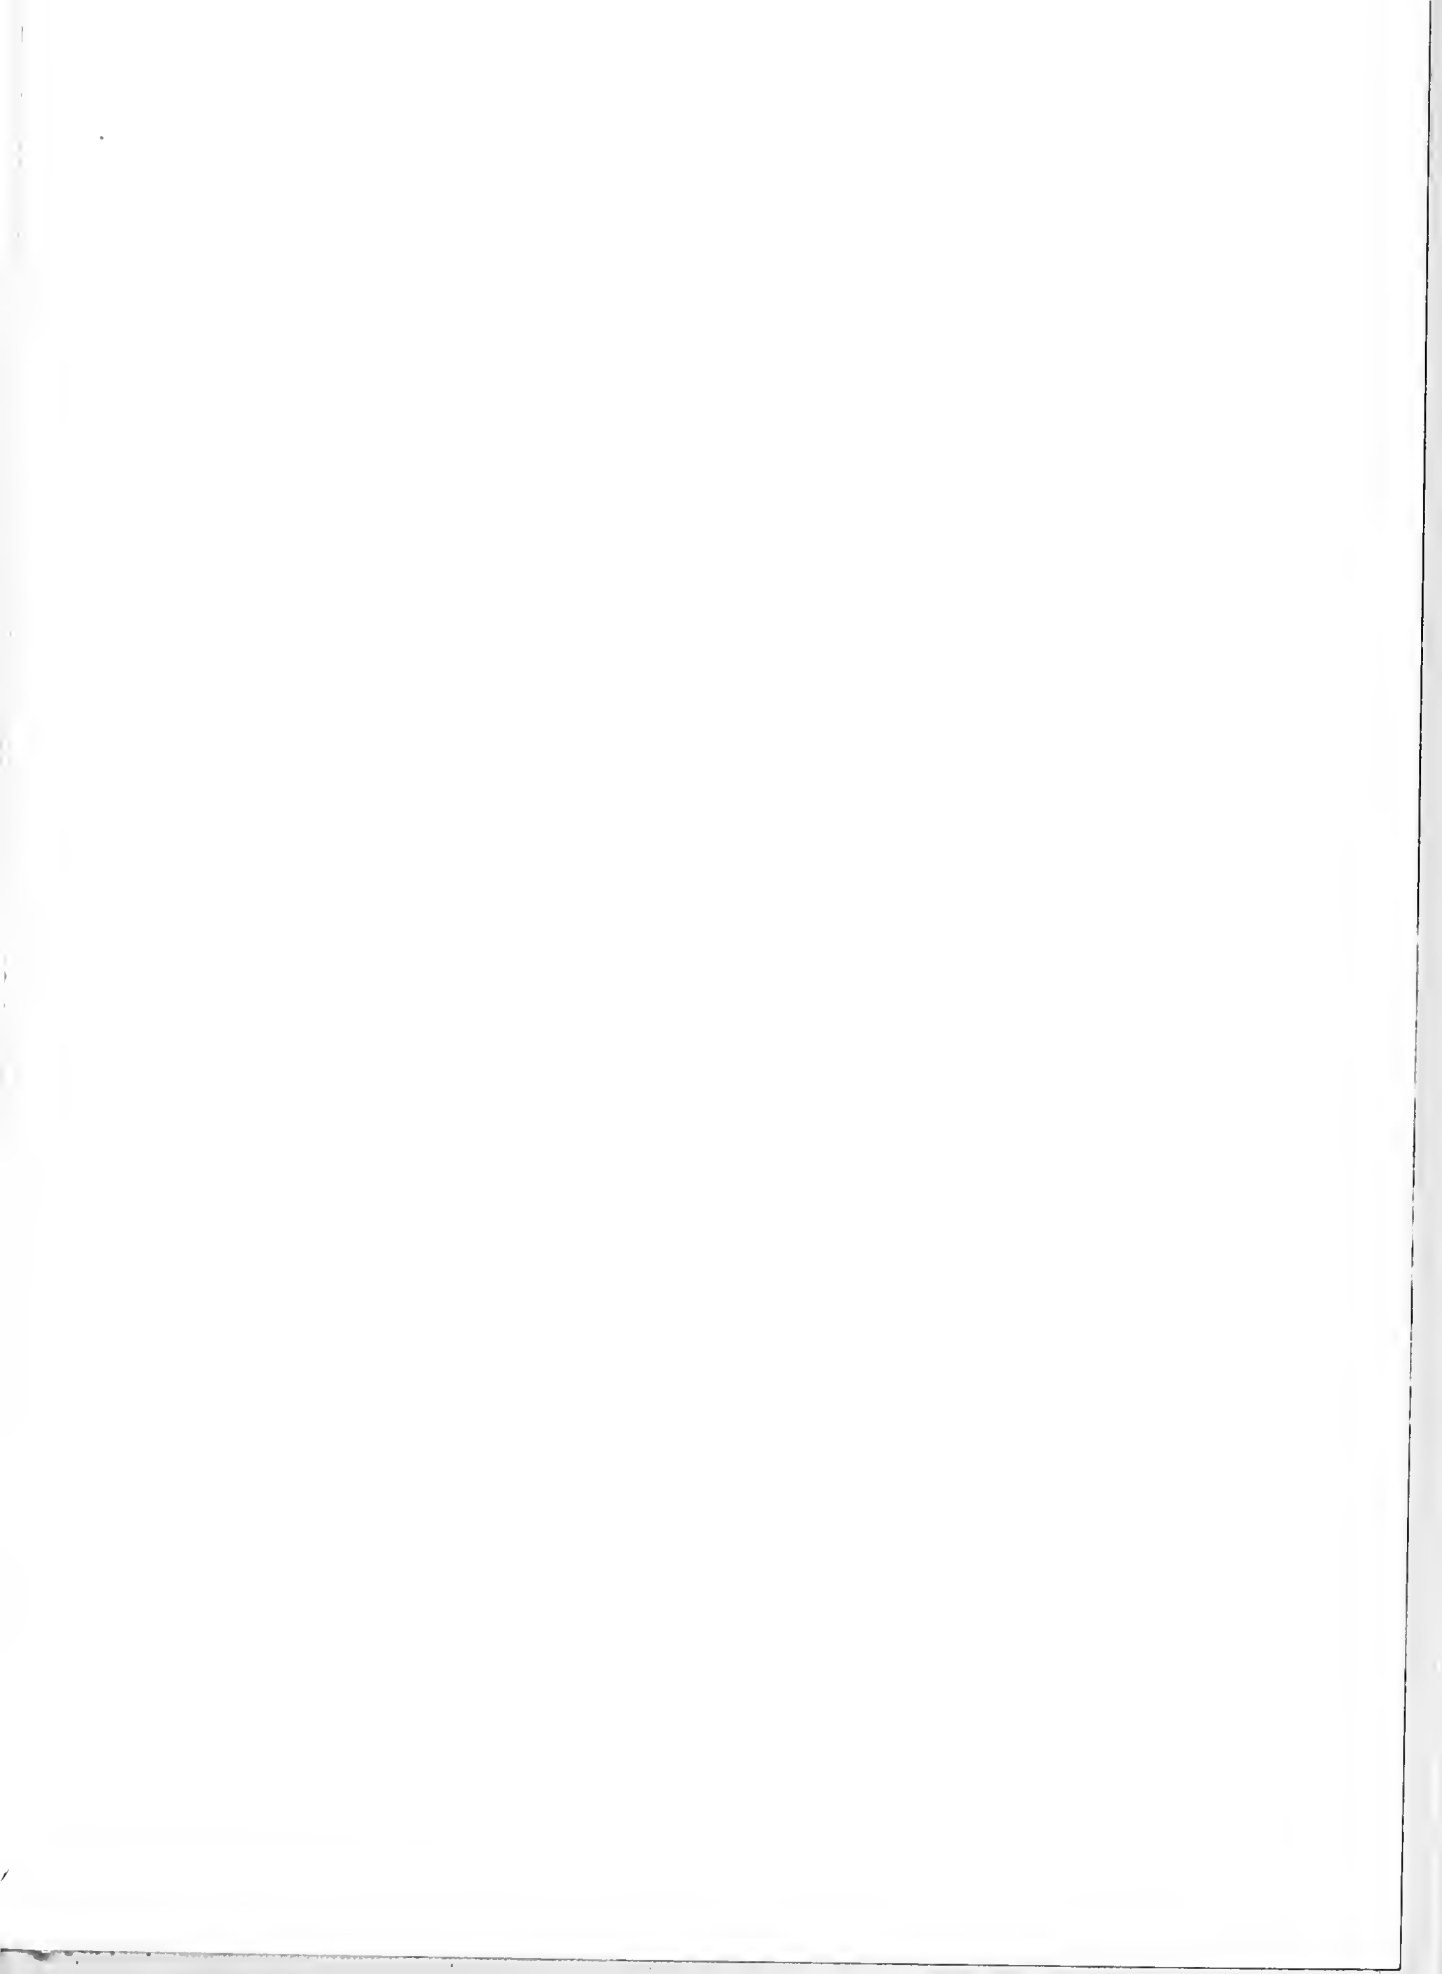

when through the woods and forest glades i wander and hear  
the birds sing sweetly in the trees when i look down lofty  
mountain grandeur and hear the brook and feel gentle breeze  
then sings my soul my savior God to thee how "great thou  
art".

putting together this edition of agape has brought on a kaleidoscope of experiences. some of the moments were tense, as we struggled to meet our deadlines, but by far most of the experiences were rewarding. the entire agape staff worked as a unit during the year to prepare this yearbook and i want to thank every staff member for their hard work and patience. a special thanks goes to candy bridges and harry gallins - they were the backbone of agape.

as i leave montreat anderson college, i take a lot of treasured memories with me - of the faculty, student body, and the administration; but most of all i treasure the memories that make up agape 1974.
